NOTICE TO ALL STUDENTS

PRE-REGISTRATION OF UNITS

Effective the semester beginning on 25th January 2021, all students will be required to pre-register for units in their portal. You are therefore required to pre-register for units by 29th January 2021. Pre-registration of units informs us that you will be attending the semester. Failure to pre-register will indicate that you are deferring the academic year. Pre-registration is not linked to fee payment.

Pre-registration can be done by selecting “**Pre-registration**” from the left menu of your portal and registering for the listed units. Kindly note that those doing elective units will be required to select their units of choice from the list of elective units provided.

Note: Full registration MUST be done by the end of the 5th week of the semester after payment of fees.
